

Jubileum rit #9

Water Management

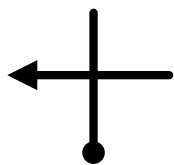

PORSCHE
Porsche Centrum Rotterdam

Porsche-liefhebbers,

Welkom op de negende editie van de jubi-rit van porscheforum.nl. Dit jaar gaat de rit zich voltrekken in de omgeving ten zuiden van Rotterdam. Prachtige landschappen en leuke watertjes, die continu ontweken moeten worden.

Ook dit jaar zitten er relatief veel kleine dorpjes in de rit. Houd de snelheid in deze dorpjes (en daarbuiten ook natuurlijk) gewoon binnen de perken. Het is geen race, maar een tourrit. Op die manier is het voor iedereen leuk!

We rijden dit jaar ook weer volgens het "normale" bolletje-pijltje principe, hieronder een hele korte uitleg.

Hiernaast is een 'normale' kruising afgebeeld. Het bolletje in de tekening laat zien waar je vandaan komt. Het pijltje is waar je naartoe moet. Er kruisen hier dus 2 wegen en het is de bedoeling dat je LINKS af gaat! Simpel toch?

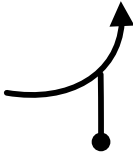

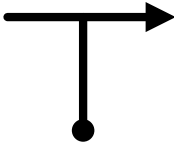

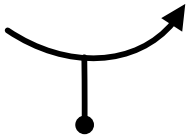

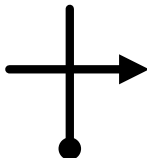

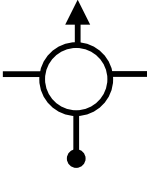

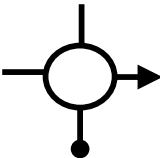

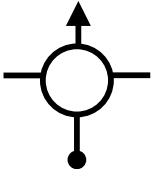

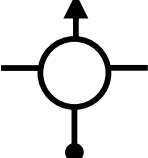

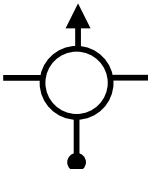

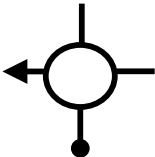

Dan nog even de spelregels:

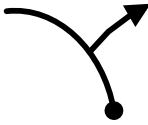

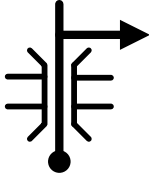

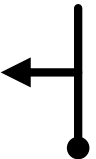

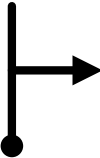

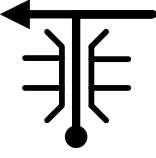

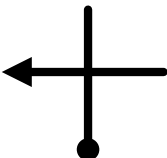

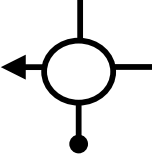

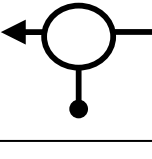

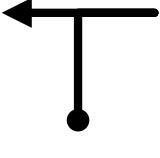

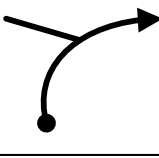

- 1, We zijn gewone verkeersdeelnemers, gedraag je dus ook zo!
- 2, Dit is GEEN race, tijd is absoluut geen punt in deze tourrit.
- 3, Deelneming aan deze rit is geheel voor eigen risico, wat wil zeggen dat de organisatie NIET verantwoordelijk is voor de acties van de deelnemers.
- 4, Had ik al gezegd dat het geen race is? ;)

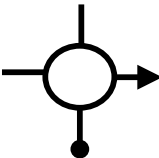

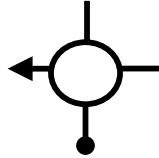

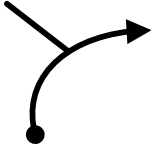

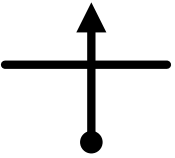

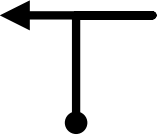

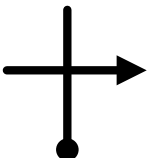

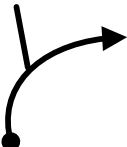

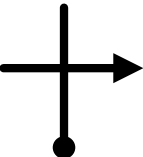

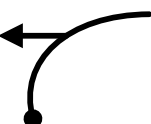

In de rit worden vragen gesteld, beantwoord deze op het antwoordblad. Let wel op, dat de vragen ook cryptisch kunnen zijn!

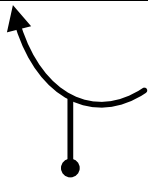

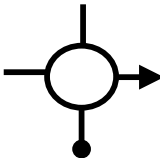

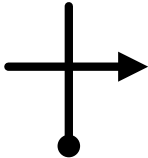

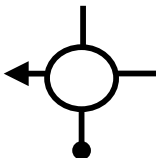

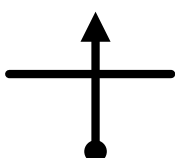

Dan rest mij nog, iedereen veel plezier te wensen. Mochten er problemen zijn, dan zijn wij te bereiken op het nummer op de voorpagina!

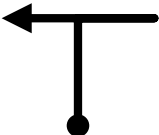

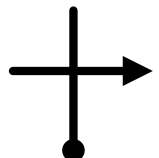

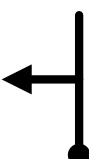

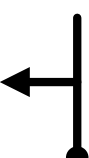

Veel plezier,
paSCal & Esther
